## Call for Papers - Invitation to Present

TAPPI and FastmarketsRISI invite professionals and students to present at [TissueCon 2020](http://TissueCon 2020), September 28-October 2, 2020 at the Cobb Galleria Center in Atlanta, GA. TissueCon 2020 provides an ideal environment to present and discuss forward thinking ideas while gaining exposure to tissue industry leaders, peers, and influencers.

The theme for TissueCon 2020 is: The Decade to Survive, Thrive and Excel. This theme lends itself to many speaking topics and possibilities. And, for the first time, TissueCon 2020 will be co-located with [NETInc 2020](http://NETInc 2020), the only nonwovens technical conference developed by engineers and technologists, further expanding the conference reach and influence.

### Potential areas of focus include, but are not limited to:

- Industry 4.0
- New Technology and Applications
- Internet of Things in Manufacturing
- Sustainability and the Circular Economy
- Tissue Production and Converting Operation
- Fiber and Furnish Strategies and Alternatives
- Nanocellulose Applications for Tissue
- Water Management
- Operating Efficiency/Energy Savings
- Process Controls
- Tissue Production and Converting Innovations
- Yankee Dryer Operation
- Chemistry and Additives
- Safety and Fire Management

### Why Present at TissueCon?

TAPPI and FastmarketsRISI bring over 200 years of experience providing a unique, non-commercial experience for attendees encompassing market developments, manufacturing innovations and strategic market insights all at one event. The comprehensive program attracts professionals at all levels including executives, mill operations, engineering, analysts, investors, as well as leading machine, chemical and process suppliers creating the perfect environment for you to be an influencer in the tissue industry.

### How Do I Submit My Abstract?

You are strongly encouraged to submit abstracts for technical presentations. Technical papers are also permitted but not required. All papers and presentations are peer reviewed by the **TissueCon 2020 Program Committee** for technical merit, adherence to the TAPPI commercialism policy, and published in the conference proceedings. Submit your abstract electronically to [TAPPI's Speaker Management System](http://TAPPI's Speaker Management System) no later than **April 30, 2020**.

### Speaker Deadlines

**April 30, 2020** – Abstract due. Accepted abstracts will be invited to produce a full manuscript

**May 18, 2020** – Notification of abstract acceptance
